

Furniture Campaign

Make a House a Home

Over the next 3 months, Open Door Housing will move 16 people from chronic homelessness into permanent supportive housing, bringing our total number housed to 24 by the end of 2017. With this expansion comes the **URGENT** need for home furnishings – everything from towels and kitchen items to furniture pieces.

There are 3 ways you can help:

- 1) Donate furniture items (in good condition) such as couches, bed frames, tables, and chairs;
- 2) Donate funds to purchase needed items *tax-free* at <http://www.opendoorlbk.org/furniture>;
- 3) Purchase needed items directly through our Amazon Wish List at <http://a.co/aetZq0r>

This is a great opportunity for your Bible class, small group, civic organization, or business to make a direct impact on the lives of some of Lubbock’s most vulnerable neighbors. It costs about \$3,000 to furnish a Housing unit and we need to furnish 16 units in the next three months.

Contact us about donating items at info@opendoorlbk.org or by phone at (806) 687-6876. Please make checks payable to “Open Door” and mail to: 1918 13th St, Lubbock, TX 79401.

Thank you for helping us *Make a House a HOME* for people in need.
